

# Preschool News

## from the Director's Desk

Our preschoolers have been working so hard this month. We just had so much going on and December will be even more crazy! Our Saints Parade was so great. Thank you to all the parents who came to the parade to hand out candy. The children were so proud to show off their "saintly" costumes!

A big thank you goes out to all of you for participating in our fundraisers that we've had so far this year.

We had such a great time performing our first show for you - "The First Thanksgiving". The classes worked very hard to make and wear their Thanksgiving costumes and also to learn all the songs and hand motions. Thanks again to everyone who donated time and food items for our feast. It was delicious and a lot of fun too!!

Our Christmas program, "Angels Sing and Bells will Ring" will be on Tuesday, December 17th. We will have a small reception after the program. Please donate Christmas cookies for this if you can!

Now that we are back from break, all rested up and stuffed full of delicious food, we will all hit the ground running for our short three weeks of December.

Ho Ho Ho!

Mrs. Patti

# WHAT'S HAPPENING THIS MONTH??

Jesus - December 25th

Mrs. Linda - December 29th

It's That Time Of Year Again!

Well, yes Christmas is fast approaching...but that's not the only thing. **Flu season** is upon us now. Please remember it is **IMPERATIVE** that if your child has a fever of 100 degrees or higher or is vomiting/diarrhea, they must remain fever and symptom free for 24 consecutive hours before returning to school. Now that your child is in school, you are not only responsible for your child, but the health of other children here at St. James Preschool if you send them to school while still contagious.
