## Preschool News

from the Director's Desk

Happy New Year!! I hope you all had a safe, blessed and healthy Christmas break. Our preschool is rested up and ready for the winter and spring activities to come! We will be getting back to our old routines.

The teachers will take the children outside everyday as long as weather permits. This means that if it is above freezing they will go out. Playing outside is such an important part of a child's development, both physically and mentally! So make sure they come to school with outerwear that is appropriate for all of our different temperatures.

Also, with us being right in the middle of cold and flu season, please remember these tips:

- Teach your children to cough in the bend of their arm instead of hands, which helps prevent the germs from spreading
- Warm, soapy water for at least 30 seconds is necessary to kill germs on hands
- Your child is required to stay at home after a fever has been gone for 24 hours **WITHOUT** the use of fever-reducing medicine.
- The best place to be for your child to be when he/she isn't feeling good is at home resting with you!

In February we will have our re-enrollment for the 2020-2021 school year. More information to come later!

It's going to be a very Happy Preschool New Year!

### **Silent Auction Help Needed!!**

We are looking for donations of great items, theme baskets, and donations from businesses. Some of the items we had last year were Rounds of Golf, Landscaping Gift Certificate, Restaurant Gift cards, Books and Candles, themed baskets such as scrapbooking, wine, games, spa, movies, etc... If you would like to donate items, please let me know. Also, if you would like to go around to local businesses and ask for donations, I would so appreciate the help!!
