

# September<sup>2019</sup> Preschool News

from the Director's Desk

Welcome to all of our students and families, old and new! We are all so very happy and excited to welcome back our old friends and say hello to so many new ones. Each month you will receive a newsletter from the Director. This will be to let you know what we've been doing, what events are coming up and any other important information.

My name is Patti Lucas and this is my 6th year as Director of St. James Preschool. Before becoming director, I was the Assistant Director for 5 years and one of the 4 year old teachers before that. I started working here in 2002 and feel so blessed to have such a wonderful job and staff that I look forward to each and every day! I have been married to my husband Mike for 34 years and we have two daughters, one is an Air Force Pilot and one is in the management program with Enterprise. Our family has been members of St. James for 26 years!

This year I am hoping to introduce a couple new classes for the older preschoolers. One will be nature inspired learning and the other will be about eating healthy.

Also this year, on our main bulletin board across from the kitchen will be our Star Students and Birthdays of the month. Check it out!

I am looking forward to a great year filled with lots of learning, giggles, and love! Once again, welcome!

Patti
