St. James Preschool
Welcome!

Dear Friends of St. James Preschool,

Welcome to the St. James Preschool's Online Silent Auction! My name is Patti Lucas and I am the Director of St. James Preschool. Every year the preschool holds a silent auction at preschool to raise money for the preschool's special events.

Our combined Art Show/Silent Auction last March was unfortunately cancelled due to the pandemic and closing of the school for the rest of the year. So all of our wonderful baskets, artwork, gift cards, etc... just sat in my lonely office.

This year I am happy to say the preschool is up and running, the children are having a fantastic, safe and healthy start to the school year. I would love to make sure they have some great events(while maintaining the COVID guidelines) such as our Fall Festival and Family Fun Day.

By participating in our Online Silent Auction, you are helping our nonprofit preschool strive to be the best school for our youngest students.

Thank you so much for your continued support of our preschool and our mission to foster the development of each child's spiritual and cognitive growth.

Thanks and many blessings,

Patti Lucas
Director

Who We Are

St. James Preschool is an outreach ministry of St. James the Apostle Catholic Church and a nonprofit preschool program. We believe in the partnership with our preschool parents and families as our youngest students begin their education, social and developmental and spiritual growth.

Our Mission Statement

Our mission is to foster the development of each child's spiritual, cognitive, emotional, physical and social self in a nurturing and creative learning environment that reflects the love of Christ. We strive to promote the Christian virtues of compassion, honesty, cooperation, friendship, generosity, goodness, stewardship, faithfulness, knowledge, and creativity that forms the foundation of our Catholic faith.

Why Your Donation Is So Important

The money we raise from this fundraiser and the others that the preschool we will have this school year will go toward funding some of the special events we hold during the year. An example of one of the events is our end of the year celebration with our students and family members called Family Fun Day. We have a petting zoo, jump house, carnival games and snacks.
