

April/May Newsletter 2022

Happy Spring! We have made it to our final stretch of the school year! I want to thank you all so much for making my first year as Director very enjoyable. I feel so blessed to have been given this opportunity and to have such a great group of parents and students! I especially enjoy being able to spend time with the children as their music teacher. It gives me the chance to form a personal relationship with every child in the Preschool. We all enjoy teaching your children so much, and we thank you for entrusting them in our care!
